

## **Contract award**

Project Name: **GEF - Sustainable Urban Transport Project  
(GEF-SUTP)**  
**Consultancy Services for Program Evaluation Study of Deployment of  
Buses by Cities under JnNURM (PC1B-7)**

Country: **India**  
Project ID: **P100589**  
GEF Grant No: **TF095549 - IN**

**Bid/Contract Reference no: MoUD F.No. K-14012/7/2013-UT-I (SUTP)**

### **Scope of contract:**

The Government of India (GoI) has initiated the Sustainable Urban Transport Project (SUTP) with support of Global Environment Facility (GEF) with the objective of ensuring that environmental considerations are taken into account in the application of the National Urban Transport Policy (NUTP) and to achieve a paradigm shift in India's urban transport systems in favour of sustainable development.

The objectives of this consultancy are to (i) Analyse the change in public transport performance due to the deployment of modern buses and implementation of reforms under JnNURM, in terms of public transport efficiency, effectiveness, safety and environmental impact criteria; (ii) Document and compare the impact of reforms related to the bus modernization program including setting up Special Purpose Vehicles (SPVs), changes in network and route structure, changes in operations and maintenance practices, construction of depots, ITS implementation, and others; (iii) Analyse the change in bus user satisfaction due to deployment of modern fleet sanctioned under JnNURM and related reforms; and (iv) Propose national strategies and policies required to further enhance the public transport systems in Indian cities based on the lessons learned by the JnNURM cities to be applied to future initiatives such as NURM II.

In this project, the consultant will determine whether the sanctioning of buses under JnNURM and implementation of related reforms achieved their objectives, by comparing the baseline, pre-program situation with that after implementation of the project. The consultant shall select relevant performance indicators which reflect project objectives, collect and analyse related data and synthesize and document analysis results.

**Method of Selection:** QCBS (Quality & Cost Based Selection)

**Duration of Contract:** Fifteen months from the date of signing Agreement

**Contract Signing Date:** 09 September 2013

**Evaluation currency:** INR

**Awarded Consultant (s)/Firm:** ICRA Management Consulting Services Ltd (IMaCS) in association with Integrated Transport Planning Ltd (ITP)
